PREFACE

LOCATION

Thomasville, in Davidson County, is located in the center of the Piedmont, North Carolina's industrial section situated between the mountains and the coastal area. Midway between Washington and Atlanta, Thomasville is served by both the Southern Railway's main line and the locally owned, short-line High Point, Thomasville and Denton Railroad, connecting with the Atlantic Coast Line and Norfolk and Western Railroads. Thomasville is the junction between United States Highway Nos. 29 and 70 and State Highways Nos. 109 and 62, with local and interstate bus service. Eighteen miles away is the Greensboro-High-Point airport, and within 20 miles is the Smith Reynolds airport in Winston-Salem, both serviced by the Eastern, Capital and Piedmont Air Lines.

POPULATION

According to the United States Census Bureau, the population of Thomasville in 1860 was 308. By 1900 it had grown to only 750. At the turn of the century the rapid growth and progress of Thomasville began with the advent of the furniture manufacturing industry. By 1910 the population was 3,877. New enterprises, particularly in the textile field were added, so that by 1920 the city had grown to 5,676; by 1940 to 11,041 and by 1950 to 11,154. Many small enterprises have been started in the past ten years. The city limits have not been extended since 1915. At least 5,000 people live in the area immediately surrounding the city's incorporated limit of 3.375 square miles.

Fifteen percent of the city's population is Negro.

Within a radius of 50 miles more than one million people reside.

CLIMATE

Mean annual temperature is 58 degrees. Seasonal averages are Winter 42 degrees; Spring 57 degrees; Summer 76 degrees, and Fall 56 degrees. Average annual rainfall is 47.56 inches. Altitude is 857 feet above sea level.

GOVERNMENT

Thomasville is governed on the council-manager plan. The council is composed of a mayor and five councilmen. The city adopted the council-manager plan in 1915, the third city in North Carolina to employ a city manager. Government offices are centralized in a three story structure completed in 1938.

This Publication is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.
2. To subscribe to and work for truth, honesty and accuracy in all departments.
3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.
4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and directory of buyer and seller.
5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.
6. To solicit subscriptions and advertising solely upon the merits of the publications.
7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.
8. To co-operate with approved organizations and individuals engaged in creative advertising work.
9. To avoid unfair competition.
10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.
